

Ladies and gentlemen,

If I could have your attention for a moment, I would like to say a few words about my wonderful sister on this special occasion.

Growing up, I always admired her strength, intelligence, and kindness.

Today, seeing her so happy and in love fills my heart with joy and pride.

She has always been an incredible sister and has now found someone who truly appreciates and cherishes her for who she is.

Her achievements in life have been numerous, but finding true love and partnership is undoubtedly one of her greatest. This engagement marks the beginning of a beautiful journey, and I couldn't be happier for her and her fiancé.

Let us raise a glass to my sister and her husband-to-be, wishing them a future filled with love, laughter, and endless happiness.

Cheers!
