

Ladies and Gentlemen,

If I could have your attention, please! For those of you who don't know me, I'm [Your Name], and I'm delighted to stand here today, mostly because there's free food, but also because I have the honor of talking about two very special people. We're here to celebrate the engagement of [Bride's Name] and [Partner's Name].

Now, as everyone who knows her will agree, [Bride's Name] is the epitome of grace, wit, and charm. And then she met [Partner's Name], who, let's face it, is blessed beyond measure to have captured her heart. Seriously, I'm still trying to figure out what magical spell he cast!

And speaking of spells, let's not forget the other magical trick they have perfected: agreeing on what to order for dinner. It's an impressive feat, really.

In all seriousness, [Bride's Name], you bring so much joy and laughter to everyone around you. And [Partner's Name], thank you for making her heart skip a beat--and for putting up with her binge-watching sessions of reality TV.

May your life together be filled with laughter, love, and maybe, just maybe, agreeing on a Netflix show more than once a week.

To [Bride's Name] and [Partner's Name]! Cheers!
