

Ladies and gentlemen,

If I could have your attention, please. Today is a day filled with joy and pride, as we gather here to celebrate the engagement of my dear child. As a father, there are few moments as special and heartwarming as seeing your child find someone who brings them happiness and love.

I am filled with gratitude for the two of you. To my child, watching you grow into the wonderful person you are today has been one of the greatest joys of my life. You have found someone who complements your spirit, and I am so thankful you have found love in each other.

To your beloved partner, welcome to our family. It brings me immense pleasure to see the love you have for each other and the respect with which you treat each other. I am grateful to have you as part of our lives, and I cherish the kindness and joy you bring.

Together, your journey is just beginning. I have no doubt it will be filled with laughter, adventure, and countless cherished memories. Please know that you have our unwavering support and love as you build your future together.

Let us raise a glass in honor of this beautiful partnership. May your lives be filled with happiness, love, and endless blessings.

Congratulations and all my love to both of you.
