

Ladies and gentlemen,

As I stand here today, I am filled with a deep sense of gratitude and humility. This moment feels surreal, as I never imagined how quickly the years would fly by. Today marks not just the end of my career but the culmination of countless memories, friendships, and achievements.

First and foremost, I want to express my heartfelt thanks to all of you--my colleagues, mentors, and friends. Each one of you has contributed to my journey in ways you may never realize. Your support, camaraderie, and shared laughter have made every day a joy to come to work.

To my family, who stood by me through late nights and early mornings, your love and patience have been my anchor. I owe so much of my success to your unwavering support.

Reflecting on my career, I am proud of what we have accomplished together. We've laughed, weathered challenges, and celebrated victories. Those memories will forever be etched in my heart.

Thank you for making this chapter of my life so rewarding. I'm excited about what lies ahead, knowing I carry a wealth of experiences and friendships that will last a lifetime. Wishing you all continued success and happiness.

Thank you from the bottom of my heart.
