

Ladies and gentlemen, boys and girls, gather around and grab a slice of cake because today we're celebrating a very special person! Yes, it's [Name]'s birthday, and we're here to have a blast!

Now, [Name], you may be getting older, but let's face it, you're still younger than you'll be next year--so enjoy it while it lasts! We're all here because you make our lives brighter, and let's be honest, we needed an excuse to eat cake and make fun of each other's dance moves.

Speaking of cake, [Name] has been banned from the kitchen since that "incident" with the pancakes. Let's hope their birthday candles wish doesn't involve cooking!

But in all seriousness, [Name], you're a wonderful friend, a fantastic [relation], and a true master at trivia nights. Here's to another year of joy, laughter, and conveniently forgetting how old you actually are!

Happy Birthday, [Name]! Let's party like it's your birthday because, well, it is! Cheers!
