

Ladies and gentlemen,

If I could have your attention--and maybe a refill or two, this won't take long--I'd like to say a few words about our favorite newlyweds, [Bride's Name] and [Groom's Name].

Firstly, I'd like to commend [Groom's Name] for snagging someone as amazing as [Bride's Name]. It only took him [number of years] years, a thousand date nights, and mastering the art of pretending to enjoy rom-coms.

[Bride's Name], you look stunning tonight and, as always, have impeccable taste... except for today. Just kidding! You've picked a man who is as loyal as they come--with an unconditional love rivaled only by his obsession with fantasy football.

On a serious note, you two are perfect for each other. [Bride's Name]'s kindness and humor blend perfectly with [Groom's Name]'s... let's call it "creative interpretation" of cooking. Together, you're like the perfect cocktail--a delightful mix of sweet and strong with just a hint of spice. So, let's raise our glasses to spending a lifetime uncovering each other's quirks, unconditional support, and never-ending love. To [Bride's Name] and [Groom's Name]--may your life together be filled with love and laughter... and a bit of patience for all the times you'll have to explain how the dishwasher works.

Cheers!
