

Ladies and Gentlemen, Brothers and Prospective Mischief-Makers,  
Thank you, thank you! [pause for imaginary crowd cheers] Oh, what a day,  
what a moment--to finally have a legitimate reason to wear this snazzy  
blazer without it being a wedding or a court appearance!

First of all, let's give a massive round of applause for our founding  
brothers. They had the audacity to dream big, the courage to act on that  
dream, and the stamina to navigate all the paperwork that seemed to  
require more signatures than autographs at a pop concert.

Today marks the beginning of something truly special--a brotherhood built  
on shared ideals, common goals, and an impressively creative repertoire  
of nicknames. As we embark on this journey together, let's remember that  
our bond is the most valuable thing we have. Well, besides access to  
Mom's care packages, which, let's be honest, have saved us all during  
finals week.

We're a diverse group bound by a commitment to support each other,  
challenge each other, and yes, occasionally prank each other in ways that  
won't get us expelled. Remember, our goal is to uplift our community and  
make memories--not the dean's naughty list.

So, here's to us--may we inspire each other to greatness, forge  
friendships as unshakeable as our Wi-Fi during a gaming tournament, and  
build a legacy that's as unforgettable as Taco Night at the cafeteria.  
Cheers to new beginnings, legendary stories, and a year full of laughter  
and profound moments. Let the brotherhood thrive!

Thank you! [Pretend to drop the mic gracefully]
