

Ladies and gentlemen,

If I could have your attention, please. I promise to keep this shorter than the average commercial break!

We are gathered here today to celebrate the marriage of [Bride] and [Groom]. A union so perfect, even Netflix would recommend it!

Now, I've known [Bride] and [Groom] for quite some time, and I can honestly say they're a match made in heaven, or at least, a match made on an online dating site with a 99% compatibility rating. Either way, it's a win!

[Bride], you look absolutely stunning today. And [Groom], well, you've cleaned up very nicely! Seriously, folks, doesn't he look like a million bucks, or maybe even a billion after adjusting for inflation?

As we watch [Bride] and [Groom] pledge their lives to one another, I'd like to remind everyone that marriage is like a workshop. [Groom] works, [Bride] shops. Just kidding! Actually, they both know that from this day forward, they'll look forward to tomorrow, surprise each other every single day, and continue creating this beautiful love story together.

So let's raise our glasses to [Bride] and [Groom] as they embark on this wonderful adventure as a team. May your love be modern enough to survive the times and old-fashioned enough to last forever. Cheers!

Thank you, everyone, enjoy the party, eat lots of cake, and remember, dancing like nobody's watching is just doing everyone a favor!
