

Ladies and gentlemen, if I could have your attention for just a moment, please. First off, I want to thank all of you for being here tonight to celebrate with us. It means the world to have our closest friends and family gathered together as we gear up for the big day.

To [Bride] and [Groom], watching you two grow together has been an absolute joy. You're not just great partners, but incredible friends to everyone here. Your love story is inspiring and reminds us all of why love is so wonderful.

I also want to take a moment to thank everyone who's helped organize not just this dinner, but the wedding as well. We couldn't have done it without you.

So, let's raise a glass to laughter, love, and a lifetime of happiness for [Bride] and [Groom]. Cheers!
