

Ladies and gentlemen,

If I could have your attention, please! I'd like to take a moment to talk about two very special people on this incredibly joyous day.

First, let me say how absolutely stunning my sister looks today--like a real-life princess! And her prince, my new brother-in-law, you clean up pretty well too! It's not every day that we get to see such a perfect match literally made in heaven.

Growing up with my sister has been an adventure, full of laughs, shared secrets, and countless memories. From dressing up in our parents' clothes to imagining our dream weddings, it's surreal standing here today seeing her dreams come true.

Seeing the happiness and love radiating from both of you fills my heart with joy. You've got a wonderful journey ahead, full of love, laughter, and maybe a few sibling squabbles--I mean, they are an essential spice of life, right?

Let's raise a glass to love, laughter, and happily ever after! To my sister and her new husband, may your life together be filled with wonderful adventures and eternal love.

Cheers!
