

Ladies and gentlemen,

Thank you all for gathering here today to celebrate a truly special person in our lives--my incredible mom.

Mom, on your birthday, I just want to take a moment to express how deeply grateful I am for everything you do. Your love and dedication have been the foundation of our family, and your warmth and kindness inspire us every day.

Growing up, you were always there with comforting words and a helping hand whenever we needed. Your strength and resilience have taught us so much about life, and your laughter has filled our home with joy.

Thank you for being not just my mother, but my guide, my confidante, and my greatest cheerleader. Today, we celebrate you and the wonderful person you are.

Happy Birthday, Mom! We love you more than words can express.

Cheers to you!
