

Ladies and gentlemen,

As we gather here today, it is with mixed emotions that we bid farewell to our dear friend. On one hand, we're incredibly sad to see you go. On the other, we're excited for the new journey you're about to embark on. From the first day we met, you brought warmth, laughter, and joy into our lives. Your infectious positivity and kind-hearted nature have left a lasting impact on all of us. Whether it was the little chats over coffee or the big adventures we shared, each moment spent with you has been a gift.

As you transition to this new chapter, remember that we are cheering you on with every step. While you may be leaving, the memories and friendships we've built are here to stay.

Thank you for being an incredible friend. Go forth and shine brightly as you always have. We will miss you dearly, and until we meet again, take care and know you are loved.

Safe travels, my friend.
