

Hello everyone,

As we gather here today, let's all take a moment to celebrate a very special occasion -- the birthday of our favorite [insert name]! Now, I'm not saying [name] is getting old, but I did hear the candles cost more than the cake this year.

We all know [name] as the person who can make any situation better with just a smile -- or, more often, with a cleverly timed meme in the group chat. [Name] is the person who can brighten up a Monday morning, and if that isn't a superpower, I don't know what is!

So as we dig into the cake, let's all raise a glass (or a coffee mug, since it's still office hours) to [name]. May your day be filled with laughter, joy, and possibly some questionable singing later on.

Happy Birthday, [name]! Here's to another year of fun and adventure!

Cheers!
