

Ladies and gentlemen, if I could have your attention, please. Today, we gather not just as colleagues but as members of a strange yet wonderful work family to celebrate a monumental occasion--the birthday of none other than [Colleague's Name]. Yes, it's that time of year again when we pause our spreadsheets and emails to remember that [Colleague's Name] has survived another orbit around the sun. Truly, an achievement worthy of cake.

Now, I could stand here and list all of [Colleague's Name]'s professional accomplishments--each email brilliantly crafted, each meeting painstakingly endured--but I'll spare you the details because, well, lunch hour only lasts so long. What I will say is that working with [Colleague's Name] is a delightful experience filled with a generous mix of humor, wisdom, and yes, those infamous puns we all secretly look forward to.

So, let's raise a glass--or a coffee mug--to [Colleague's Name]. May your inbox be manageable, your coffee stay hot, and your projects always finish on time. Happy Birthday, [Colleague's Name]! May this year bring you as much joy as you bring to our team. Cheers!
