

Ladies and gentlemen, gather around! Today, we celebrate the incredible life of [Friend's Name]. Or at least, pretend that we want to! Can you believe [his/her] audacity? Turning another year older like it's some sort of achievement. I'm honestly shocked [he/she] hasn't been arrested for defying time!

Now, I was going to write a long, heartfelt speech about how wonderful [he/she] is, but the WiFi was spotty, so here we are. [Friend's Name], you have accomplished so much this past year. I mean, you managed to watch all those series and STILL hit the snooze button every morning. Truly inspiring!

What would we do without your incredible ability to turn anything and everything into a meme-worthy moment? And who could forget your stellar talent of being late to every event? You are truly a master of [fashionably] late entrances.

In all seriousness, thank you for being the [crazy/fun/awesome] friend we all adore. We forgive your questionable life choices because, let's face it, they make great stories later on.

So here's to you, [Friend's Name]: may your future be as bright as your phone's screen in the middle of the night. Cheers!
