

Ladies and gentlemen,

Today marks a new chapter in our professional journey as we prepare to transition to a new healthcare organization. I want to take a moment to express my gratitude for the experiences and friendships we've built here, and the incredible growth we've achieved together.

This transition is not just a change of scenery; it's an exciting opportunity for us to continue our commitment to providing exceptional patient care in a fresh environment that shares our values and aspirations. With each new beginning comes a blend of excitement and the opportunity to learn and evolve. I am confident that the skills and compassion we have cultivated will shine even brighter in our new roles. We carry with us a wealth of experience and a shared vision of making a difference in the lives of those we serve. Together, we'll embrace new challenges, create positive impacts, and build meaningful relationships with our new colleagues and patients.

Thank you all for your dedication and spirit. I look forward to the incredible contributions we'll make as part of our new healthcare family. Let's step forward with confidence and enthusiasm, ready to embrace the opportunities ahead.

Here's to new beginnings and the exciting journey that awaits us!

Thank you.
