

Good morning, Church!

I am so grateful to stand before you today to share a miracle that has blessed my life. Last month, I was struggling with a health issue that seemed to have no solution. I prayed fervently, trusting God for healing. Just last week, during our prayer service, something incredible happened. As I prayed, I felt a warmth and peace wash over me, and I knew in my heart that God was working. The very next day, I visited my doctor, and to our amazement, my condition had completely improved. The illness that troubled me was gone!

This experience has deepened my faith and reminded me of God's power and love. I am thankful for His mercy and for this community that has supported me in prayer. Let us continue to trust and believe in His miracles.

Thank you, and God bless you all!
