

[Setting: On a hot air balloon ride at sunrise, overlooking stunning landscapes]

[You kneel down, holding a small ring box.]

"From the moment our paths crossed, it felt like embarking on the greatest adventure of my life. Together, we've explored the world, scaling mountains and diving into mysteries unknown. Every sunrise, just like this one, has been another memory crafted in our endless journey. As we float above the world, let's make this never-ending horizon a promise of our future. Will you marry me, and continue this grand adventure, side by side, forever?"
