

Ladies and gentlemen, if I could have your attention for a moment, I'd like to take a chance that may make me the happiest person ever--or the person with the world's reddest face, no guarantees!

[Partner's name], from the moment we met, I knew there was something special between us. Was it the way you laughed at my not-so-funny jokes? Or perhaps the fact that you didn't run away when you saw my dance moves? Whatever it was, it was magical.

You make my heart skip a beat and occasionally make my brain lose connections--as you can probably tell right now. Being with you feels like a never-ending adventure where the GPS is always saying, "Re-routing," but I wouldn't have it any other way.

So here I am, ready to make a complete honest person out of you. Would you do me the honor of being my partner in crime, my salsa dance partner, and my co-navigator through life's crazy journey? Will you marry me?
