

[Scene: A cozy park with birds chirping, a light breeze, and a curious squirrel as the only spectator]

---

**\*\*You:\*\*** (dramatically clearing throat) Ladies, gentlemen, and adorable squirrels witnessing this moment!

---

**\*\*Girlfriend:\*\*** (laughs) What are you up to?

---

**\*\*You:\*\*** Today, I stand before you not just as a humble individual, but as a person fortunate enough to have found someone who tolerates my terrible puns and questionable dance moves.

---

**\*\*Girlfriend:\*\*** Oh no, where is this going?

---

**\*\*You:\*\*** (pretending to trip over words) My dear [Girlfriend's Name], we've been on this rollercoaster ride of life together. And just like any good rollercoaster, it's had thrilling ups, some crazy loops, and yes, those questionable snack bar purchases.

---

**\*\*Girlfriend:\*\*** What's your point, Mr. Rollercoaster?

---

**\*\*You:\*\*** (kneeling) Well, the point, my love, is this... I want to keep riding this rollercoaster with you. So, in the spirit of love and stomach butterflies that you cause me everyday, will you marry me?

---

**\*\*Girlfriend:\*\*** (smiling) Did you just propose using theme park metaphors?

---

**\*\*You:\*\*** (grinning) Why yes, yes I did. And just like a season pass, I promise there's unlimited fun and love awaiting!

---

**\*\*Girlfriend:\*\*** (hugging) Yes! How could I say no to season passes?!

---

**\*\*You:\*\*** (jumping up) Alright! Let's tell the squirrel the good news!

---

[Squirrel continues to munch on its acorn, unimpressed but you both laugh and walk away hand in hand.]
