Happy Valentine's Day! Today is special, and it's the perfect time to tell you just how much you mean to me. I've loved every moment we've shared, and I can't imagine my life without you. You make me so happy, and I want to spend the rest of my life making you feel the same way.

[Partner's Name], will you marry me?

I promise to always support you, cherish you, and be there for you through whatever life brings. I love you more than words can express and want to build a future together.

What do you say?
