

My love,

You know how much I cherish every moment we spend together, and today is no different. I wanted to make this Valentine's Day extra special because you mean the world to me. So, I have a little something to share with you.

You've filled my life with so much joy and laughter, and I can't imagine a future without you. So, here it goes--will you make me the happiest person on earth? Will you marry me?

I promise to love and cherish you every day for the rest of our lives.

What do you say?
