

Ladies and gentlemen, if I could have your attention, please. We are here on this marvelous day, under this beautiful sky, and I find myself next to the most amazing person in the universe.

[Partner's Name], from the moment we awkwardly bumped into each other--quite literally, if I remember correctly--my world has been a hilarious romp through laughter and love. I'm reminded daily that fate not only has a sense of humor but impeccable taste.

Whether it's dancing around our kitchen like no one is watching (although the cat definitely is), or debating the ultimate pizza topping, life with you is an adventure I never want to pause.

So, here's where I drop down on one knee. [Drops to one knee]

[Partner's Name], will you give me the honor of being your partner-in-crime, fellow mischief-maker, and, most importantly, your eternal love? Would you do me the honor of saying yes to a lifetime of memories, filled with love, laughter, and maybe a little bit of chaos?
