

Ladies and gentlemen,

Gather around as we embark on a beautiful journey filled with love and happiness. Today, we celebrate not just the union of two hearts but the coming together of two families. With great joy and anticipation, I stand here to talk about the proposal of an arranged marriage between [Partner A] and [Partner B].

[Partner A], with a heart full of kindness and a spirit that lights up every room, has found a match in [Partner B], whose warmth and grace leave a lasting impression on everyone fortunate enough to know them. Together, they complement each other's strengths and share dreams that reach for the stars.

In our cherished tradition of arranging marriages, this proposal signifies not just a commitment but a celebration of love and unity. It is a testament to the values and bond our families hold dear. With the blessings of our elders and the cheers of our loved ones, we look forward to a future where laughter and love thrive.

Here's to [Partner A] and [Partner B]--may their journey ahead be joyful, their love unwavering, and their happiness eternal.

Thank you! Let us celebrate this beautiful bond with open hearts and joyous spirits!
