

Subject: Appeal for Reconsideration of Expulsion

Dear [University Appeals Committee/Dean's Name],

I hope this message finds you well. I am writing to formally appeal the university's decision to expel me. I fully acknowledge the actions that led to this decision and deeply regret the choices I made.

Upon reflection, I realize the significant impact my behavior had on my academic community and my own educational journey. It was never my intention to undermine the values and integrity of our institution, and for that, I am truly remorseful.

During this period, I have taken the time to reflect on my mistakes and understand the gravity of my actions. I have also sought guidance and support to ensure such errors in judgment do not recur. If given another chance, I am committed to proving my dedication to personal growth and academic integrity.

I humbly ask for reconsideration of my case, hoping to demonstrate that I am capable of making a positive contribution to our university community. Thank you for considering my appeal.

Sincerely,
