

Ladies and Gentlemen,

We are here today to address a serious issue that has been affecting many of us in the workplace: harassment. We, as a collective group, feel it is necessary to bring this issue to light and ask for immediate action.

Recently, several team members have experienced inappropriate behavior and comments that have created a hostile work environment. These incidents are not isolated and have been ongoing, affecting our ability to work effectively and comfortably.

We believe everyone should feel safe and respected at work. Harassment of any kind is unacceptable, and we urge management to implement stricter policies and provide training to prevent further incidents.

We ask for your support and action to ensure our workplace is inclusive and harassment-free. Let's work together to create a positive and respectful environment for everyone.

Thank you.
