

Ladies and gentlemen,

Thank you for gathering here today. I wanted to address an issue that some of us have been experiencing with our hotel transportation services. We understand how important reliable transportation is for your comfort and convenience, and we sincerely apologize for any inconvenience caused. Some guests have reported delays and confusion with shuttle schedules, which we acknowledge can be frustrating and disruptive to your plans. We are actively reviewing our current processes and are committed to implementing improvements to ensure a more efficient and reliable service.

Our team is working on revising the timetable and increasing shuttle frequency during peak times. Furthermore, we are enhancing communication to keep everyone informed of any schedule changes in real-time.

Please feel free to reach out to our front desk if you encounter any issues or need assistance, as we are here to make your stay as enjoyable as possible.

Thank you for your patience and understanding as we work to make our services better for everyone.

Safe travels and enjoy your stay!

Warm regards,
