

Dear [Hotel Manager's Name],

I hope this message finds you well. I recently stayed at your hotel and wanted to share a concern I encountered during my visit. The Wi-Fi connectivity in my room was quite disappointing. It was quite intermittent, making it difficult to stay connected for work purposes. I understand technical issues can happen, but I hope this can be addressed for future guests.

Thank you for your attention to this matter.

Kind regards,

[Your Name]
