

Ladies and gentlemen,

I stand before you today with a spirit of understanding and collaboration. We have thoroughly assessed the current services we offer, and after careful consideration, we have decided to discontinue certain programs. This decision has not been made lightly, and we are committed to ensuring that all affected parties are supported through this transition.

As we move forward, we remain dedicated to our mission and to providing the highest quality of service to our community. We are working diligently to explore alternative solutions that will better align with our shared goals and objectives. Your feedback and partnership are invaluable to us, and we welcome any suggestions you may have.

Thank you for your continued support and understanding as we embark on this new chapter together.
