

Subject: Immediate Action Required: Ongoing Internet Outage

Dear [Internet Service Provider's Name],

I am writing to express my dissatisfaction with the constant internet outages experienced in my area over the past few weeks. As a paying customer, I expect a reliable service that meets the standards promised by your company.

The frequent disruptions are affecting my ability to work efficiently and stay connected, which is unacceptable. I demand an immediate resolution to this issue and a clear explanation of the steps your company will take to ensure this problem does not persist.

Please treat this matter with urgency and provide a timeline for when full service will be restored.

Sincerely,

[Your Name]
