

Ladies and gentlemen, esteemed teachers, and my fellow students,
Welcome to today's classroom debate, where we will explore different perspectives on [Topic]. Debates are a wonderful opportunity to express our ideas, sharpen our critical thinking skills, and respect diverse viewpoints.

To ensure a fair and orderly discussion, here's how we'll proceed: each team will have an introduction time of 3 minutes to present their main arguments. After that, the opposing team will have 3 minutes to deliver their rebuttal. Remember to listen carefully and thoughtfully respond. We encourage all participants to focus on evidence-based reasoning and respectful communication. This is our chance to not only defend our standpoint but also to learn from each other.

Let us all enjoy an engaging, enlightening, and amicable debate. Thank you, and let's begin!
