Hello everyone,

First, I want to thank you all for joining today and for your hard work on the recent project. I understand that some of the recent changes might have seemed sudden and possibly a bit confusing. I really appreciate everyone's patience and resilience during this time.

We've received a few questions about the new process, and I'm here to clarify anything that might be unclear. Our goal is to ensure everyone feels comfortable and confident moving forward.

If at any point something doesn't make sense, please don't hesitate to ask. Your understanding is crucial, and we're here to support one another. Let's work together to make this transition as smooth as possible.

Thank you all for your ongoing efforts and dedication. We value each of your contributions immensely.
