

Certainly! Here is a simple example of a clarification speech for an interview in a professional tone:

---

"Thank you for the opportunity to interview today. I would like to take a moment to ensure clarity regarding my previous experience. In my last role at [Company Name], I was primarily responsible for managing client relationships and streamlining our team's workflow. I mentioned earlier that I increased client satisfaction scores, and to clarify, this was achieved by implementing new feedback mechanisms and regularly engaging with clients to address their needs promptly.

If further details are needed regarding any aspect of my role, I would be more than happy to provide additional information. Thank you for your time and consideration."
