

Certainly! Here's a simple example:

---

Hello everyone,

Thank you for joining our brainstorming session today. Before we dive into our ideas, I want to make sure we're all on the same page about the purpose of our meeting. Our goal is to come up with innovative strategies to boost our product's visibility in the market.

I'm here to clarify any questions you might have. Feel free to interrupt if something isn't clear or if you need more details about our objectives.

Let's aim to keep our ideas flowing and hold off on critique for now. We want to capture every creative thought!

Thanks, and let's get started!

---
