

Ladies and gentlemen,

Thank you for gathering here today. As future leaders in the field of medicine, you carry the extraordinary potential to transform lives and communities. The world of healthcare is ever-evolving, presenting countless opportunities for innovation and compassion.

I urge you to embrace this journey with a heart dedicated to service. Let your expertise guide you, but let empathy be your compass. Every patient you encounter is a fellow human being relying on you for care, understanding, and hope.

Remember, leadership in medicine is not just about advancing your own career; it is about lifting others with you. Mentor those who follow, listen to those in need, and strive to bridge gaps in healthcare access and quality.

Your service can light the path to a healthier, more equitable world. Step forward with courage, lead with integrity, and always, always uphold the dignity of those you serve.

Thank you.
