

Friends and family gathered near,  
Today we join in joyful cheer.  
With love as vast as the open sky,  
Two souls unite, as one they fly.  
Through gentle whispers and tender dreams,  
Together they'll weave life's wondrous schemes.  
Hand in hand and heart to heart,  
In this dance of life, they'll never part.  
May their days be filled with laughter and light,  
And love's gentle embrace hold them tight.  
Raise a glass to this radiant pair,  
A beautiful journey, beyond compare.  
To the couple, may their love ever grow,  
A timeless river, a ceaseless flow.  
Here's to a future both bright and new,  
A lifetime of love, forever true.
