

Good evening, everyone,

Thank you all for gathering here tonight. We're here to recognize some truly exceptional individuals--our volunteers--who give so much of themselves to make our community better every day.

Our volunteers light the way with their selfless efforts and show us the incredible power of dedication and kindness. Each hour they spend, each skill they share, every smile they bring to those they help, makes a significant difference.

Because of you, we've been able to achieve more than we could have ever imagined. You help bridge gaps, offer support, and change lives without ever asking for anything in return. The impact of your commitment is immeasurable, and we are profoundly grateful for the time, talent, and passion you bring.

It's people like you who make our mission possible, who inspire us to keep moving forward, and who show us every day what it truly means to care for one another.

Thank you, from the bottom of our hearts, for being the extraordinary individuals you are. We are so fortunate to have you in our corner.

Let's give a round of applause to celebrate our wonderful volunteers!

Thank you.
