

Ladies and gentlemen,

As I stand here today, I am flooded with cherished memories from our past, and I find myself filled with gratitude for the enduring friendship we have shared over the years. It's like flipping through an old photo album, each picture a snapshot of laughter, adventures, and genuine companionship.

I want to take a moment to appreciate the wonderful friends sitting before me. Through thick and thin, through the ups and downs, you have been my anchor and my joy. I remember those late-night talks, the spontaneous road trips, and even the silly arguments that only made our bond stronger.

Thank you for your unwavering support and for being the incredible individuals that you are. The moments we've shared are timeless treasures that I hold dear to my heart. Here's to old friends, the ones who have been there from the beginning. May our memories continue to grow and our spirits remain young.

Thank you.
